What you need....

Groceries and general supplies can be bought locally. We have a 24 hours supermarket open one miles from our location (Tesco on A7).

Shops are generally open 7 days a week in the UK. Although remote towns and villages may differ and have shorter hours.

Soft luggage bags are more practical to bring on your trip as they are easier to store in the Motorhome than hard shelled suitcases. Always take into consideration limited storage in some of the motorhomes. Pack for the Scottish weather. Please note storage of suitcases can be provided if required.

- A valid drivers licence is a MUST for all named drivers
